| DESCRIPTION                       | IC OPAMP GP 1.6MHZ RRO 8DFN                                                                           |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                            |
| DATA SHEET                        |  LT6013IDD#PBF.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2.7 V ~ 36 V, ±1.35 V ~ 18 V                                                                          |
| VOLTAGE - INPUT OFFSET            | 30µV                                                                                                  |
| SUPPLIER DEVICE PACKAGE           | 8-DFN (3x3)                                                                                           |
| SLEW RATE                         | 0.2 V/µs                                                                                              |
| SERIES                            | -                                                                                                     |
| PACKAGING                         | Tube                                                                                                  |
| PACKAGE / CASE                    | 8-WDFN Exposed Pad                                                                                    |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                          |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                          |
| NUMBER OF CIRCUITS                | 1                                                                                                     |
| MOUNTING TYPE                     | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                         |
| MANUFACTURER STANDARD LEAD TIME   | 12 Weeks                                                                                              |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                            |
| GAIN BANDWIDTH PRODUCT            | 1.4MHz                                                                                                |
| DETAILED DESCRIPTION              | General Purpose Amplifier 1 Circuit Rail-to-Rail 8-DFN (3x3)                                          |
| CURRENT - SUPPLY                  | 200µA                                                                                                 |
| CURRENT - OUTPUT / CHANNEL        | 20mA                                                                                                  |
| CURRENT - INPUT BIAS              | 100pA                                                                                                 |
| BASE PART NUMBER                  | LT6013                                                                                                |
| AMPLIFIER TYPE                    | General Purpose                                                                                       |
