| VOLTAGE - SUPPLY (VCC/VDD)       | 2.5 V ~ 6 V                                                                         |
| SUPPLIER DEVICE PACKAGE          | 44-PLCC (16.59x16.59)                                                               |
| SPEED                            | 4MHz                                                                                |
| SERIES                           | PIC® 16C                                                                            |
| RAM SIZE                         | 368 x 8                                                                             |
| PROGRAM MEMORY TYPE              | OTP                                                                                 |
| PROGRAM MEMORY SIZE              | 14KB (8K x 14)                                                                      |
| PERIPHERALS                      | Brown-out Detect/Reset, POR, PWM, WDT                                               |
| PACKAGING                        | Tube                                                                                |
| PACKAGE / CASE                   | 44-LCC (J-Lead)                                                                     |
| OSCILLATOR TYPE                  | External                                                                            |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                   |
| NUMBER OF I/O                    | 33                                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                       |
| MANUFACTURER STANDARD LEAD TIME  | 23 Weeks                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                          |
| EEPROM SIZE                      | -                                                                                   |
| DETAILED DESCRIPTION             | PIC PIC® 16C Microcontroller IC 8-Bit 4MHz 14KB (8K x 14) OTP 44-PLCC (16.59x16.59) |
| DATA CONVERTERS                  | A/D 8x8b                                                                            |
| CORE SIZE                        | 8-Bit                                                                               |
| CORE PROCESSOR                   | PIC                                                                                 |
| CONNECTIVITY                     | I²C, SPI, UART/USART                                                                |
| BASE PART NUMBER                 | PIC16LC77                                                                           |
