

307119003

|                     |                                |
|---------------------|--------------------------------|
| Part Number:        | 307119003                      |
| Manufacturer/Brand: | C&K                            |
| Product description | SWITCH THUMB HEX 0.1A 120V/28V |
| Datasheets:         | 307119003.pdf                  |
| RoHs Status         | Lead free / RoHS Compliant     |
| Ship From           | Hong Kong                      |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS          |

REQUEST FOR QUOTATION

Specifications of 307119003

| MANUFACTURER                     | C&K                                                                  |
| DESCRIPTION                      | SWITCH THUMB HEX 0.1A 120V/28V                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                           |
| DATA SHEET                       | 307119003.pdf                                                        |
| TERMINATION STYLE                | Card Edge/Solder Pad                                                 |
| SERIES                           | 3                                                                    |
| SECTION WIDTH                    | 0.350" (8.89mm)                                                      |
| READ OUT                         | 0 ~ 9, A ~ F                                                         |
| PANEL CUTOUT DIMENSIONS          | -                                                                    |
| PACKAGING                        | Bulk                                                                 |
| OUTPUT CODE                      | Hexadecimal                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 65°C                                                         |
| NUMBER OF SECTIONS               | 1                                                                    |
| MOUNTING TYPE                    | Panel Mount, Screw                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                        |
| MANUFACTURER STANDARD LEAD TIME  | 13 Weeks                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                           |
| HOUSING MATERIAL                 | Acrylonitrile Butadiene Styrene (ABS)                                |
| FEATURES                         | Dust Lens, Sealed Contacts                                           |
| END CAPS                         | Sold Separately                                                      |
| ELECTRICAL LIFE                  | 100,000 Cycles                                                       |
| DISPLAY CHARACTERS - HEIGHT      | -                                                                    |
| DETAILED DESCRIPTION             | Thumbwheel Switch Hexadecimal 0.1A @ 120VAC/28VDC Panel Mount, Screw |
| DEPTH BEHIND FLANGE              | 36.68mm                                                              |
| CONTACT RATING @ VOLTAGE         | 0.1A @ 120VAC/28VDC                                                  |
| CONTACT MATERIAL                 | Copper Alloy                                                         |
| CONTACT FINISH                   | -                                                                    |
| COLOR                            | Black                                                                |
| ACTUATOR TYPE                    | Thumbwheel                                                           |
