| DESCRIPTION                      | IC 10BIT TRANSP LATCH 24TSSOP                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| DATA SHEET                       |  74LVC841APW,112.pdf |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.6 V                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 24-TSSOP                                                                                                |
| SERIES                           | 74LVC                                                                                                   |
| PACKAGING                        | Tube                                                                                                    |
| PACKAGE / CASE                   | 24-TSSOP (0.173", 4.40mm Width)                                                                         |
| OUTPUT TYPE                      | Tri-State                                                                                               |
| OTHER NAMES                      | 74LVC841APW<br>74LVC841APW-ND<br>935262143112                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                           |
| MOUNTING TYPE                    | Surface Mount                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                           |
| LOGIC TYPE                       | D-Type Transparent Latch                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| INDEPENDENT CIRCUITS             | 1                                                                                                       |
| DETAILED DESCRIPTION             | D-Type Transparent Latch 1 Channel 10:10 IC Tri-State 24-TSSOP                                          |
| DELAY TIME - PROPAGATION         | 1.5ns                                                                                                   |
| CURRENT - OUTPUT HIGH, LOW       | 24mA, 24mA                                                                                              |
| CIRCUIT                          | 10:10                                                                                                   |
| BASE PART NUMBER                 | 74LVC841                                                                                                |
