| DESCRIPTION                        | IC AMP AUDIO CLASS D DBS23                                                                              |
| LEAD FREE STATUS / ROHS STATUS     | Contains lead / RoHS non-compliant                                                                      |
| DATA SHEET                         |  TDA8953J/N1,112.pdf |
| VOLTAGE - SUPPLY                   | ±12.5 V ~ 42.5 V                                                                                        |
| TYPE                               | Class D                                                                                                 |
| SUPPLIER DEVICE PACKAGE            | DBS23P                                                                                                  |
| SERIES                             | -                                                                                                       |
| PACKAGING                          | Tube                                                                                                    |
| PACKAGE / CASE                     | 23-SIP Formed Leads                                                                                     |
| OUTPUT TYPE                        | 1-Channel (Mono) or 2-Channel (Stereo)                                                                  |
| OTHER NAMES                        | 568-14259<br>935288742112<br>TDA8953J/N1,112-ND                                                         |
| OPERATING TEMPERATURE              | -40°C ~ 85°C (TA)                                                                                       |
| MOUNTING TYPE                      | Through Hole                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL)   | 1 (Unlimited)                                                                                           |
| MAX OUTPUT POWER X CHANNELS @ LOAD | 420W x 1 @ 8 Ohm, 210W x 2 @ 4 Ohm                                                                      |
| LEAD FREE STATUS / ROHS STATUS     | Contains lead / RoHS non-compliant                                                                      |
| FEATURES                           | Depop, Differential Inputs, Mute, Short-Circuit Protection                                              |
| DETAILED DESCRIPTION               | Amplifier IC 1-Channel (Mono) or 2-Channel (Stereo) Class D DBS23P                                      |
| BASE PART NUMBER                   | TDA8953                                                                                                 |
