E11043000

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | E11043000                                                                                                    |
| Manufacturer/Brand: | Cypress Semiconductor                                                                                        |
| Product description | IC FLASH NOR                                                                                                 |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of E11043000

|                                  |                            |
|----------------------------------|----------------------------|
| PART NUMBER                      | E11043000                  |
| MANUFACTURER                     | Cypress Semiconductor      |
| DESCRIPTION                      | IC FLASH NOR               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant |
| DATA SHEET                       |                            |
| WRITE CYCLE TIME - WORD, PAGE    | -                          |
| VOLTAGE - SUPPLY                 | -                          |
| TECHNOLOGY                       | -                          |
| SUPPLIER DEVICE PACKAGE          | -                          |
| SERIES                           | -                          |
| PACKAGING                        | -                          |
| PACKAGE / CASE                   | -                          |
| OPERATING TEMPERATURE            | -                          |
| MOUNTING TYPE                    | -                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)              |
| MEMORY TYPE                      | -                          |
| MEMORY SIZE                      | -                          |
| MEMORY INTERFACE                 | -                          |
| MEMORY FORMAT                    | -                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant |
| DETAILED DESCRIPTION             | Memory IC                  |
