| SPEED                           | 33MHz                                                                |
| SIZE / DIMENSION                | 0.71" x 2.01" (18mm x 51mm)                                          |
| SERIES                          | TE0722                                                               |
| RAM SIZE                        | -                                                                    |
| OTHER NAMES                     | 1686-1018                                                            |
| OPERATING TEMPERATURE           | -40°C ~ 85°C                                                         |
| MODULE/BOARD TYPE               | MCU, FPGA                                                            |
| MANUFACTURER STANDARD LEAD TIME | 14 Weeks                                                             |
| LEAD FREE STATUS / ROHS STATUS  | Lead free / RoHS Compliant                                           |
| FLASH SIZE                      | 16MB                                                                 |
| DETAILED DESCRIPTION            | TE0722 Embedded Module ARM Cortex-A9 Zynq-7000 (Z-7010) 33MHz 16MB   |
| CORE PROCESSOR                  | ARM Cortex-A9                                                        |
| CONNECTOR TYPE                  | 40 Pin                                                               |
| CO-PROCESSOR                    | Zynq-7000 (Z-7010)                                                   |
