|---------------------------------|-------------------------------------------------------------------------------------------------|
| PART NUMBER                     | AK1573C                                                                                         |
| MANUFACTURER                    | Asahi Kasei Microdevices / AKM Semiconductor                                                    |
| DESCRIPTION                     | IC FREQUENCY SYNTHESIZER 24QFN                                                                  |
| LEAD FREE STATUS / ROHS STATUS  | Lead free / RoHS Compliant                                                                      |
| DATA SHEET                      |  AK1573C.pdf |
| VOLTAGE - SUPPLY                | 2.7 V ~ 3.3 V                                                                                   |
| SUPPLIER DEVICE PACKAGE         | 24-QFN (4x4)                                                                                    |
| SERIES                          | -                                                                                               |
| RATIO - INPUT:OUTPUT            | 1:1                                                                                             |
| PACKAGING                       | Tape & Reel (TR)                                                                                |
| PACKAGE / CASE                  | 24-WFQFN Exposed Pad                                                                            |
| PLL                             | Yes                                                                                             |
| OUTPUT                          | Clock                                                                                           |
| OPERATING TEMPERATURE           | -40°C ~ 85°C                                                                                    |
| NUMBER OF CIRCUITS              | 1                                                                                               |
| MOUNTING TYPE                   | Surface Mount                                                                                   |
| MANUFACTURER STANDARD LEAD TIME | 14 Weeks                                                                                        |
| LEAD FREE STATUS / ROHS STATUS  | Lead free / RoHS Compliant                                                                      |
| INPUT                           | Clock                                                                                           |
| FREQUENCY - MAX                 | 3GHz                                                                                            |
| DIVIDER/MULTIPLIER              | Yes/No                                                                                          |
| DIFFERENTIAL - INPUT:OUTPUT     | No/Yes                                                                                          |
