|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | SN74SSTV16857DGVRG                                                                                           |
| Manufacturer/Brand: | N/A                                                                                                          |
| Product description | IC REG BUFF 14BIT SSTL 48-TVSOP                                                                              |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of SN74SSTV16857DGVRG

|                                  |                                                                  |
|----------------------------------|------------------------------------------------------------------|
| PART NUMBER                      | SN74SSTV16857DGVRG                                               |
| MANUFACTURER                     | N/A                                                              |
| DESCRIPTION                      | IC REG BUFF 14BIT SSTL 48-TVSOP                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                       |
| DATA SHEET                       |                                                                  |
| SUPPLY VOLTAGE                   | 2.3 V ~ 2.7 V                                                    |
| SUPPLIER DEVICE PACKAGE          | 48-TVSOP                                                         |
| SERIES                           | 74SSTV                                                           |
| PACKAGING                        | Tape & Reel (TR)                                                 |
| PACKAGE / CASE                   | 48-TFSOP (0.173", 4.40mm Width)                                  |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                       |
| NUMBER OF BITS                   | 14                                                               |
| MOUNTING TYPE                    | Surface Mount                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                    |
| LOGIC TYPE                       | Registered Buffer with SSTL_2 Compatible I/O for DDR             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                       |
| DETAILED DESCRIPTION             | Registered Buffer with SSTL_2 Compatible I/O for DDR IC 48-TVSOP |
| BASE PART NUMBER                 | 74SSTV16857                                                      |
