Specifications of MT53D384M32D2DS-053 WT ES:C TR

|                                  |                                                                  |
|----------------------------------|------------------------------------------------------------------|
| PART NUMBER                      | MT53D384M32D2DS-053 WT ES:C TR                                   |
| MANUFACTURER                     | Micron Technology                                                |
| DESCRIPTION                      | IC DRAM 12G 1866MHZ                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                       |
| DATA SHEET                       |                                                                  |
| WRITE CYCLE TIME - WORD, PAGE    | -                                                                |
| VOLTAGE - SUPPLY                 | 1.1V                                                             |
| TECHNOLOGY                       | SDRAM - Mobile LPDDR4                                            |
| SERIES                           | -                                                                |
| PACKAGING                        | Tape & Reel (TR)                                                 |
| OTHER NAMES                      | MT53D384M32D2DS-053 WT ES:C TR-ND<br>MT53D384M32D2DS-053WTES:CTR |
| OPERATING TEMPERATURE            | -30°C ~ 85°C (TC)                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                    |
| MEMORY TYPE                      | Volatile                                                         |
| MEMORY SIZE                      | 12Gb (384M x 32)                                                 |
| MEMORY INTERFACE                 | -                                                                |
| MEMORY FORMAT                    | DRAM                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                       |
| DETAILED DESCRIPTION             | SDRAM - Mobile LPDDR4 Memory IC 12Gb (384M x 32) 1866MHz         |
| CLOCK FREQUENCY                  | 1866MHz                                                          |
