

Nexperia

74LVC2244APW,118

Part Number:

74LVC2244APW,118

Manufacturer/Brand:

Nexperia

Product description

IC BUF NON-INVERT 3.6V 20TSSOP

Datasheets:

 74LVC2244APW,118.pdf

RoHs Status

 Lead free / RoHS Compliant

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

Specifications of 74LVC2244APW,118

|                                  |                                                                                                          |

| DATA SHEET                       |  74LVC2244APW,118.pdf |
| VOLTAGE - SUPPLY                 | 1.2 V ~ 3.6 V                                                                                            |
| SUPPLIER DEVICE PACKAGE          | 20-TSSOP                                                                                                 |
| SERIES                           | 74LVC                                                                                                    |
| PACKAGING                        | Cut Tape (CT)                                                                                            |
| PACKAGE / CASE                   | 20-TSSOP (0.173", 4.40mm Width)                                                                          |
| OUTPUT TYPE                      | 3-State                                                                                                  |
| OTHER NAMES                      | 1727-4030-1<br>568-4495-1<br>568-4495-1-ND                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                                                                       |
| NUMBER OF ELEMENTS               | 2                                                                                                        |
| NUMBER OF BITS PER ELEMENT       | 4                                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                            |
| MANUFACTURER STANDARD LEAD TIME  | 13 Weeks                                                                                                 |
| LOGIC TYPE                       | Buffer, Non-Inverting                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| INPUT TYPE                       | -                                                                                                        |
| DETAILED DESCRIPTION             | Buffer, Non-Inverting 2 Element 4 Bit per Element 3-State Output 20-TSSOP                                |
| CURRENT - OUTPUT HIGH, LOW       | 12mA, 12mA                                                                                               |
| BASE PART NUMBER                 | 74LVC2244                                                                                                |
