| DATA SHEET                        |  <a href="#">ADA4610-2ACPZ-RL.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | ±4.5 V ~ 15 V                                                                                                            |
| VOLTAGE - INPUT OFFSET            | 400µV                                                                                                                    |
| SUPPLIER DEVICE PACKAGE           | 8-LFCSP-WD (3x3)                                                                                                         |
| SLEW RATE                         | 61 V/µs                                                                                                                  |
| SERIES                            | -                                                                                                                        |
| PACKAGING                         | Tape & Reel (TR)                                                                                                         |
| PACKAGE / CASE                    | 8-WDFDN Exposed Pad, CSP                                                                                                 |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                                             |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                                                                            |
| NUMBER OF CIRCUITS                | 2                                                                                                                        |
| MOUNTING TYPE                     | Surface Mount                                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 3 (168 Hours)                                                                                                            |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                               |
| GAIN BANDWIDTH PRODUCT            | 16.3MHz                                                                                                                  |
| DETAILED DESCRIPTION              | J-FET Amplifier 2 Circuit Rail-to-Rail 8-LFCSP-WD (3x3)                                                                  |
| CURRENT - SUPPLY                  | 1.6mA                                                                                                                    |
| CURRENT - OUTPUT / CHANNEL        | 79mA                                                                                                                     |
| CURRENT - INPUT BIAS              | 5pA                                                                                                                      |
| BASE PART NUMBER                  | ADA4610                                                                                                                  |
| AMPLIFIER TYPE                    | J-FET                                                                                                                    |
| -3DB BANDWIDTH                    | 9.5MHz                                                                                                                   |
