| MANUFACTURER                   | Grayhill, Inc.                                                          |
| DESCRIPTION                    | SWITCH ROTARY MILITARY, 36 DEG 1                                        |
| LEAD FREE STATUS / ROHS STATUS | RoHS Compliant                                                          |
| DATA SHEET                     |                                                                         |
| VOLTAGE RATING - DC            | 28V                                                                     |
| VOLTAGE RATING - AC            | 115V                                                                    |
| TERMINATION STYLE              | Solder Lug                                                              |
| SERIES                         | 50                                                                      |
| ROHS STATUS                    | RoHS Compliant                                                          |
| PANEL CUTOUT DIMENSIONS        | -                                                                       |
| OPERATING FORCE                | 5.761 ~ 17gfm                                                           |
| NUMBER OF POSITIONS            | 3                                                                       |
| NUMBER OF POLES PER DECK       | 1                                                                       |
| NUMBER OF DECKS                | 1                                                                       |
| MOUNTING TYPE                  | Panel Mount                                                             |
| INDEX STOPS                    | Fixed                                                                   |
| FEATURES                       | -                                                                       |
| DETAILED DESCRIPTION           | Rotary Switch 3 Position SP3T 150mA (AC), 200mA (DC) 115VAC Panel Mount |
| DEPTH BEHIND PANEL             | 18.77mm                                                                 |
| CURRENT RATING                 | 150mA (AC), 200mA (DC)                                                  |
| CONTACT TIMING                 | Non-Shorting (BBM)                                                      |
| CONTACT MATERIAL               | -                                                                       |
| CONTACT FINISH                 | Gold                                                                    |
| CIRCUIT PER DECK               | SP3T                                                                    |
| ANGLE OF THROW                 | 36°                                                                     |
| ACTUATOR TYPE                  | Flatted (3.17mm Dia)                                                    |
| ACTUATOR LENGTH                | 9.53mm                                                                  |
