

N/A

No Picture

LM3402HVMM

Part Number:LM3402HVMM

Manufacturer/Brand:N/A

Product description:IC LED DRIVER RGLTR DIM 8VSSOP

Datasheets:

RoHs Status

Contains lead / RoHS non-compliant

Ship FromHong Kong

Shipment WayDHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

| Specifications of LM3402HVMM     |                                                                                   |
|----------------------------------|-----------------------------------------------------------------------------------|
| PART NUMBER                      | LM3402HVMM                                                                        |
| MANUFACTURER                     | N/A                                                                               |
| DESCRIPTION                      | IC LED DRIVER RGLTR DIM 8VSSOP                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                |
| DATA SHEET                       |                                                                                   |
| VOLTAGE - SUPPLY (MIN)           | 6V                                                                                |
| VOLTAGE - SUPPLY (MAX)           | 75V                                                                               |
| VOLTAGE - OUTPUT                 | 73V                                                                               |
| TYPE                             | DC DC Regulator                                                                   |
| TOPOLOGY                         | Step-Down (Buck)                                                                  |
| SUPPLIER DEVICE PACKAGE          | 8-VSSOP                                                                           |
| SERIES                           | -                                                                                 |
| PACKAGING                        | Tape & Reel (TR)                                                                  |
| PACKAGE / CASE                   | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                            |
| OTHER NAMES                      | LM3402HVMMTR                                                                      |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TJ)                                                                |
| NUMBER OF OUTPUTS                | 1                                                                                 |
| MOUNTING TYPE                    | Surface Mount                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                |
| INTERNAL SWITCH(S)               | Yes                                                                               |
| FREQUENCY                        | 1MHz                                                                              |
| DIMMING                          | PWM                                                                               |
| DETAILED DESCRIPTION             | LED Driver IC 1 Output DC DC Regulator Step-Down (Buck) PWM Dimming 500mA 8-VSSOP |
| CURRENT - OUTPUT / CHANNEL       | 500mA                                                                             |
| BASE PART NUMBER                 | LM3402                                                                            |
| APPLICATIONS                     | Lighting                                                                          |
