| DESCRIPTION                      | IC UART FIFO 32B QUAD 48QFN                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| DATA SHEET                       |  <a href="#">XR16V564ILTR-F.pdf</a> |
| WITH MODEM CONTROL               | Yes                                                                                                                    |
| WITH IRDA ENCODER/DECODER        | Yes                                                                                                                    |
| WITH FALSE START BIT DETECTION   | Yes                                                                                                                    |
| WITH AUTO FLOW CONTROL           | Yes                                                                                                                    |
| VOLTAGE - SUPPLY                 | 2.25 V ~ 3.6 V                                                                                                         |
| SUPPLIER DEVICE PACKAGE          | 48-QFN (7x7)                                                                                                           |
| SERIES                           | -                                                                                                                      |
| PROTOCOL                         | RS232                                                                                                                  |
| PACKAGING                        | Tape & Reel (TR)                                                                                                       |
| PACKAGE / CASE                   | 48-VFQFN Exposed Pad                                                                                                   |
| NUMBER OF CHANNELS               | 4, QUART                                                                                                               |
| MOUNTING TYPE                    | Surface Mount                                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| FEATURES                         | Internal Oscillator, Timer/Counter                                                                                     |
| FIFO'S                           | 32 Byte                                                                                                                |
| DATA RATE (MAX)                  | 16Mbps                                                                                                                 |
