LM3350MM/NOPB

Part Number: LM3350MM/NOPB

Manufacturer/Brand: N/A

Product description: IC REG SWITCHD CAP RATIO 8VSSOP

Datasheets:

RoHS Status:  Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

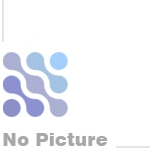

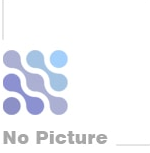

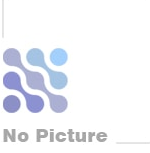

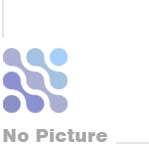

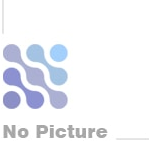

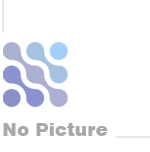

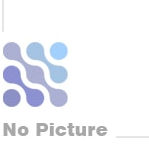

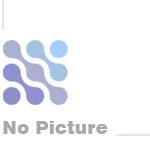

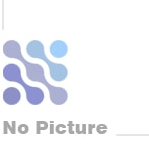

REQUEST FOR QUOTATION

| Specifications of LM3350MM/NOPB  |                                                                                                                       |
|----------------------------------|-----------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | LM3350MM/NOPB                                                                                                         |
| MANUFACTURER                     | N/A                                                                                                                   |
| DESCRIPTION                      | IC REG SWITCHD CAP RATIO 8VSSOP                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                            |
| DATA SHEET                       |                                                                                                                       |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 3/2Vin, 2/3Vin                                                                                                        |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                                                     |
| VOLTAGE - INPUT (MIN)            | 2.5V                                                                                                                  |
| VOLTAGE - INPUT (MAX)            | 5.5V                                                                                                                  |
| TOPOLOGY                         | Charge Pump                                                                                                           |
| SYNCHRONOUS RECTIFIER            | No                                                                                                                    |
| SUPPLIER DEVICE PACKAGE          | 8-VSSOP                                                                                                               |
| SERIES                           | -                                                                                                                     |
| PACKAGING                        | Tape & Reel (TR)                                                                                                      |
| PACKAGE / CASE                   | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                                                                |
| OUTPUT TYPE                      | Fixed                                                                                                                 |
| OUTPUT CONFIGURATION             | Positive                                                                                                              |
| OTHER NAMES                      | LM3350MM<br>LM3350MM/NOPBTR<br>LM3350MMTR<br>LM3350MMTR-ND                                                            |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                     |
| NUMBER OF OUTPUTS                | 1                                                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                            |
| FUNCTION                         | Ratiometric                                                                                                           |
| FREQUENCY - SWITCHING            | 800kHz                                                                                                                |
| DETAILED DESCRIPTION             | Charge Pump Switching Regulator IC Positive Fixed 3/2Vin, 2/3Vin 1 Output 50mA 8-TSSOP, 8-MSOP (0.118", 3.00mm Width) |
| CURRENT - OUTPUT                 | 50mA                                                                                                                  |
| BASE PART NUMBER                 | LM3350                                                                                                                |
