| DESCRIPTION                      | IC SW P-CH HIGH SIDE 16-QSOP                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                               |
| DATA SHEET                       | <a href="#">1.MAX869LEEE+ .pdf</a><br><a href="#">2.MAX869LEEE+ .pdf</a> |
| VOLTAGE - SUPPLY (VCC/VDD)       | Not Required                                                             |
| VOLTAGE - LOAD                   | 2.7 V ~ 5.5 V                                                            |
| SWITCH TYPE                      | General Purpose                                                          |
| SUPPLIER DEVICE PACKAGE          | 16-QSOP                                                                  |
| SERIES                           | -                                                                        |
| RDS ON (TYP)                     | 38 mOhm                                                                  |
| RATIO - INPUT:OUTPUT             | 1:1                                                                      |
| PACKAGING                        | Tube                                                                     |
| PACKAGE / CASE                   | 16-SSOP (0.154", 3.90mm Width)                                           |
| OUTPUT TYPE                      | P-Channel                                                                |
| OUTPUT CONFIGURATION             | High Side                                                                |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                        |
| NUMBER OF OUTPUTS                | 1                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                            |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                               |
| INTERFACE                        | On/Off                                                                   |
| INPUT TYPE                       | Non-Inverting                                                            |
| FEATURES                         | Status Flag                                                              |
| FAULT PROTECTION                 | Current Limiting (Adjustable), Over Temperature                          |
| CURRENT - OUTPUT (MAX)           | 2A                                                                       |
| BASE PART NUMBER                 | MAX869                                                                   |
