

TPS73401DRVR

|                     |                                |
|---------------------|--------------------------------|
| Part Number:        | TPS73401DRVR                   |
| Manufacturer/Brand: | N/A                            |
| Product description | IC REG LIN POS ADJ 250MA 6WSON |
| Datasheets:         |                                |
| RoHs Status         | Lead free / RoHS Compliant     |
| Ship From           | Hong Kong                      |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS          |

Specifications of TPS73401DRVR

|                                  |                                                                                            |
|----------------------------------|--------------------------------------------------------------------------------------------|
| PART NUMBER                      | TPS73401DRVR                                                                               |
| MANUFACTURER                     | N/A                                                                                        |
| DESCRIPTION                      | IC REG LIN POS ADJ 250MA 6WSON                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                 |
| DATA SHEET                       |                                                                                            |
| VOLTAGE DROPOUT (MAX)            | 0.22V @ 250mA                                                                              |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 1.25V                                                                                      |
| VOLTAGE - OUTPUT (MAX)           | 6.2V                                                                                       |
| VOLTAGE - INPUT (MAX)            | 6.5V                                                                                       |
| SUPPLIER DEVICE PACKAGE          | 6-WSON (2x2)                                                                               |
| SERIES                           | -                                                                                          |
| PROTECTION FEATURES              | Over Current, Over Temperature, Under Voltage Lockout (UVLO)                               |
| PACKAGING                        | Cut Tape (CT)                                                                              |
| PACKAGE / CASE                   | 6-WDFN Exposed Pad                                                                         |
| PSRR                             | 60dB ~ 28dB (100Hz ~ 100kHz)                                                               |
| OUTPUT TYPE                      | Adjustable                                                                                 |
| OUTPUT CONFIGURATION             | Positive                                                                                   |
| OTHER NAMES                      | 296-46480-1                                                                                |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                              |
| NUMBER OF REGULATORS             | 1                                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                              |
| MANUFACTURER STANDARD LEAD TIME  | 8 Weeks                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                 |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Adjustable 1 Output 1.25 V ~ 6.2 V 250mA 6-WSON (2x2) |
| CURRENT - QUIESCENT (IQ)         | 65µA                                                                                       |
| CURRENT - OUTPUT                 | 250mA                                                                                      |
| CONTROL FEATURES                 | Enable                                                                                     |
