| VOLTAGE - SUPPLY                 | 3 V ~ 5.5 V                                                                  |
| TYPE                             | Transceiver                                                                  |
| SUPPLIER DEVICE PACKAGE          | 28-SSOP                                                                      |
| SERIES                           | -                                                                            |
| RECEIVER HYSTERESIS              | 500mV                                                                        |
| PROTOCOL                         | RS232                                                                        |
| PACKAGING                        | Tube                                                                         |
| PACKAGE / CASE                   | 28-SSOP (0.209", 5.30mm Width)                                               |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                   |
| NUMBER OF DRIVERS/RECEIVERS      | 3/5                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                   |
| DUPLEX                           | Full                                                                         |
| DETAILED DESCRIPTION             | 3/5 Transceiver Full RS232 28-SSOP                                           |
| DATA RATE                        | 1Mbps                                                                        |
