| DATA SHEET                       |  MAX750ACSA-T.pdf |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 1.22V                                                                                                |
| VOLTAGE - OUTPUT (MAX)           | 11V                                                                                                  |
| VOLTAGE - INPUT (MIN)            | 4V                                                                                                   |
| VOLTAGE - INPUT (MAX)            | 11V                                                                                                  |
| TOPOLOGY                         | Buck                                                                                                 |
| SYNCHRONOUS RECTIFIER            | No                                                                                                   |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                                               |
| SERIES                           | -                                                                                                    |
| PACKAGING                        | Tape & Reel (TR)                                                                                     |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                        |
| OUTPUT TYPE                      | Adjustable                                                                                           |
| OUTPUT CONFIGURATION             | Positive                                                                                             |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                                                                      |
| NUMBER OF OUTPUTS                | 1                                                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| FUNCTION                         | Step-Down                                                                                            |
| FREQUENCY - SWITCHING            | 170kHz                                                                                               |
| DETAILED DESCRIPTION             | Buck Switching Regulator IC Positive Adjustable 1.22V 1 Output 450mA 8-SOIC (0.154", 3.90mm Width)   |
| CURRENT - OUTPUT                 | 450mA                                                                                                |
| BASE PART NUMBER                 | MAX750A                                                                                              |
