| DESCRIPTION                      | IC REG LIN 4.85V 400MA TO263-5                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                     |
| DATA SHEET                       |  <a href="#">MIC29201-4.8BU.pdf</a> |
| VOLTAGE DROPOUT (MAX)            | 0.75V @ 400mA                                                                                                          |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 4.85V                                                                                                                  |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                                                      |
| VOLTAGE - INPUT (MAX)            | 26V                                                                                                                    |
| SUPPLIER DEVICE PACKAGE          | TO-263-5                                                                                                               |
| SERIES                           | -                                                                                                                      |
| PROTECTION FEATURES              | Load Dump, Over Current, Reverse Polarity                                                                              |
| PACKAGING                        | Tube                                                                                                                   |
| PACKAGE / CASE                   | TO-263-6, D²Pak (5 Leads + Tab), TO-263BA                                                                              |
| PSRR                             | -                                                                                                                      |
| OUTPUT TYPE                      | Fixed                                                                                                                  |
| OUTPUT CONFIGURATION             | Positive                                                                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                                          |
| NUMBER OF REGULATORS             | 1                                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                     |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 1 Output 4.85V 400mA TO-263-5                                               |
| CURRENT - SUPPLY (MAX)           | 12mA                                                                                                                   |
| CURRENT - QUIESCENT (IQ)         | 300µA                                                                                                                  |
| CURRENT - OUTPUT                 | 400mA                                                                                                                  |
| CONTROL FEATURES                 | Enable                                                                                                                 |
