Specifications of LM3S818-EGZ50-C2T

|                                  |                                                                                                                    |
|----------------------------------|--------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | LM3S818-EGZ50-C2T                                                                                                  |
| MANUFACTURER                     | N/A                                                                                                                |
| DESCRIPTION                      | IC MCU 32BIT 64KB FLASH 48VQFN                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                         |
| DATA SHEET                       |                                                                                                                    |
| VOLTAGE - SUPPLY (VCC/VDD)       | 3 V ~ 3.6 V                                                                                                        |
| SUPPLIER DEVICE PACKAGE          | 48-VQFN (7x7)                                                                                                      |
| SPEED                            | 50MHz                                                                                                              |
| SERIES                           | Stellaris® ARM® Cortex®-M3S 800                                                                                    |
| RAM SIZE                         | 8K x 8                                                                                                             |
| PROGRAM MEMORY TYPE              | FLASH                                                                                                              |
| PROGRAM MEMORY SIZE              | 64KB (64K x 8)                                                                                                     |
| PERIPHERALS                      | Brown-out Detect/Reset, POR, PWM, WDT                                                                              |
| PACKAGING                        | Tape & Reel (TR)                                                                                                   |
| PACKAGE / CASE                   | 48-VFQFN Exposed Pad                                                                                               |
| OSCILLATOR TYPE                  | Internal                                                                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 105°C (TA)                                                                                                 |
| NUMBER OF I/O                    | 30                                                                                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                         |
| EEPROM SIZE                      | -                                                                                                                  |
| DETAILED DESCRIPTION             | ARM® Cortex®-M3 Stellaris® ARM® Cortex®-M3S 800 Microcontroller IC 32-Bit 50MHz 64KB (64K x 8) FLASH 48-VQFN (7x7) |
| DATA CONVERTERS                  | A/D 6x10b                                                                                                          |
| CORE SIZE                        | 32-Bit                                                                                                             |
| CORE PROCESSOR                   | ARM® Cortex®-M3                                                                                                    |
| CONNECTIVITY                     | Microwire, QEI, SPI, SSI, UART/USART                                                                               |
