| DESCRIPTION                      | IC REG BUCK 3.3V 3A TO220-7                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                  |
| DATA SHEET                       |                                                                                     |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 3.3V                                                                                |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                   |
| VOLTAGE - INPUT (MIN)            | 8V                                                                                  |
| VOLTAGE - INPUT (MAX)            | 40V                                                                                 |
| TOPOLOGY                         | Buck                                                                                |
| SYNCHRONOUS RECTIFIER            | No                                                                                  |
| SUPPLIER DEVICE PACKAGE          | TO-220-7                                                                            |
| SERIES                           | SIMPLE SWITCHER®                                                                    |
| PACKAGING                        | Tube                                                                                |
| PACKAGE / CASE                   | TO-220-7 (Formed Leads)                                                             |
| OUTPUT TYPE                      | Fixed                                                                               |
| OUTPUT CONFIGURATION             | Positive                                                                            |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TJ)                                                                  |
| NUMBER OF OUTPUTS                | 1                                                                                   |
| MOUNTING TYPE                    | Through Hole                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                  |
| FUNCTION                         | Step-Down                                                                           |
| FREQUENCY - SWITCHING            | 260kHz                                                                              |
| DETAILED DESCRIPTION             | Buck Switching Regulator IC Positive Fixed 3.3V 1 Output 3A TO-220-7 (Formed Leads) |
| CURRENT - OUTPUT                 | 3A                                                                                  |
