

Part Number: MT28F400B3WG-8 T TR

Manufacturer/Brand: Micron Technology

Product description: IC FLASH 4M PARALLEL 48TSOP I

Datasheets:  MT28F400B3WG-8 T TR.pdf

RoHs Status:  Contains lead / RoHS non-compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of MT28F400B3WG-8 T TR

|                                  |                                                                                                             |

| DESCRIPTION                      | IC FLASH 4M PARALLEL 48TSOP I                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                          |
| DATA SHEET                       |  MT28F400B3WG-8 T TR.pdf |
| WRITE CYCLE TIME - WORD, PAGE    | 80ns                                                                                                        |
| VOLTAGE - SUPPLY                 | 3 V ~ 3.6 V                                                                                                 |
| TECHNOLOGY                       | FLASH - NOR                                                                                                 |
| SUPPLIER DEVICE PACKAGE          | 48-TSOP I                                                                                                   |
| SERIES                           | -                                                                                                           |
| PACKAGING                        | Tape & Reel (TR)                                                                                            |
| PACKAGE / CASE                   | 48-TFSOP (0.724", 18.40mm Width)                                                                            |
| OTHER NAMES                      | MT28F400B3WG-8 T TR-ND<br>MT28F400B3WG-8TTR                                                                 |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                                                                             |
| MOUNTING TYPE                    | Surface Mount                                                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                               |
| MEMORY TYPE                      | Non-Volatile                                                                                                |
| MEMORY SIZE                      | 4Mb (512K x 8, 256K x 16)                                                                                   |
| MEMORY INTERFACE                 | Parallel                                                                                                    |
| MEMORY FORMAT                    | FLASH                                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                          |
| DETAILED DESCRIPTION             | FLASH - NOR Memory IC 4Mb (512K x 8, 256K x 16) Parallel 80ns 48-TSOP I                                     |
| BASE PART NUMBER                 | MT28F400B3                                                                                                  |
| ACCESS TIME                      | 80ns                                                                                                        |
