UA18CAD04PGM1TI

|                     |                                |
|---------------------|--------------------------------|
| Part Number:        | UA18CAD04PGM1TI                |
| Manufacturer/Brand: | Carlo Gavazzi                  |
| Product description | UPROX DR TI M18 4-20MA+PNP PLG |
| Datasheets:         |                                |
| Ship From           | Hong Kong                      |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS          |

REQUEST FOR QUOTATION

| MANUFACTURER                     | Carlo Gavazzi                                                                             |
| DESCRIPTION                      | UPROX DR TI M18 4-20MA+PNP PLG                                                            |
| LEAD FREE STATUS / ROHS STATUS   |                                                                                           |
| DATA SHEET                       |                                                                                           |
| VOLTAGE - SUPPLY                 | 15 V ~ 30 V                                                                               |
| TERMINATION STYLE                | Connector                                                                                 |
| SHIELDING                        | Unshielded                                                                                |
| SERIES                           | UA18                                                                                      |
| SENSOR TYPE                      | Ultrasonic                                                                                |
| SENSING DISTANCE                 | 1.969" ~ 15.748" (50mm ~ 400mm)                                                           |
| RESPONSE FREQUENCY               | 10Hz                                                                                      |
| PACKAGE / CASE                   | Cylinder, Threaded - M18                                                                  |
| OUTPUT TYPE                      | Analog Current, PNP                                                                       |
| OPERATING TEMPERATURE            | -20°C ~ 60°C                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | Not Applicable                                                                            |
| MATERIAL - BODY                  | Polybutylene Terephthalate (PBT)                                                          |
| INGRESS PROTECTION               | IP67                                                                                      |
| INDICATOR                        | LED                                                                                       |
| DETAILED DESCRIPTION             | Ultrasonic Proximity Sensor 1.969" ~ 15.748" (50mm ~ 400mm) IP67 Cylinder, Threaded - M18 |
