| MANUFACTURER                     | Cypress Semiconductor                                                                                                  |
| DESCRIPTION                      | IC SRAM 16K PARALLEL 52PLCC                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| DATA SHEET                       |  <a href="#">CY7C136-55JXCT.pdf</a> |
| WRITE CYCLE TIME - WORD, PAGE    | 55ns                                                                                                                   |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                                          |
| TECHNOLOGY                       | SRAM - Dual Port, Asynchronous                                                                                         |
| SUPPLIER DEVICE PACKAGE          | 52-PLCC (19.13x19.13)                                                                                                  |
| SERIES                           | -                                                                                                                      |
| PACKAGING                        | Tape & Reel (TR)                                                                                                       |
| PACKAGE / CASE                   | 52-LCC (J-Lead)                                                                                                        |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                          |
| MEMORY TYPE                      | Volatile                                                                                                               |
| MEMORY SIZE                      | 16Kb (2K x 8)                                                                                                          |
| MEMORY INTERFACE                 | Parallel                                                                                                               |
| MEMORY FORMAT                    | SRAM                                                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| DETAILED DESCRIPTION             | SRAM - Dual Port, Asynchronous Memory IC 16Kb (2K x 8) Parallel 55ns 52-PLCC (19.13x19.13)                             |
| BASE PART NUMBER                 | CY7C136                                                                                                                |
| ACCESS TIME                      | 55ns                                                                                                                   |
