

DS90UR910QSQE/NOPB

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | DS90UR910QSQE/NOPB                                                                                           |
| Manufacturer/Brand: | N/A                                                                                                          |
| Product description | IC SERIALIZER FPD-CSI2 48WQFN                                                                                |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of DS90UR910QSQE/NOPB

|                                  |                                                     |
|----------------------------------|-----------------------------------------------------|
| PART NUMBER                      | DS90UR910QSQE/NOPB                                  |
| MANUFACTURER                     | N/A                                                 |
| DESCRIPTION                      | IC SERIALIZER FPD-CSI2 48WQFN                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                          |
| DATA SHEET                       |                                                     |
| VOLTAGE - SUPPLY                 | 1.71 V ~ 1.89 V, 3 V ~ 3.6 V                        |
| SUPPLIER DEVICE PACKAGE          | 40-WQFN (6x6)                                       |
| SERIES                           | Automotive, AEC-Q100                                |
| PACKAGING                        | Tape & Reel (TR)                                    |
| PACKAGE / CASE                   | 40-WFQFN Exposed Pad                                |
| OUTPUT TYPE                      | CSI-2, MIPI                                         |
| OTHER NAMES                      | 296-40109-2<br>DS90UR910QSQE/NOPB-ND                |
| OPERATING TEMPERATURE            | -40°C ~ 105°C (TA)                                  |
| NUMBER OF OUTPUTS                | 3                                                   |
| NUMBER OF INPUTS                 | 1                                                   |
| MOUNTING TYPE                    | Surface Mount                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                       |
| MANUFACTURER STANDARD LEAD TIME  | 16 Weeks                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                          |
| INPUT TYPE                       | FPD-Link II, LVDS                                   |
| FUNCTION                         | Deserializer                                        |
| DETAILED DESCRIPTION             | 900Mbps Deserializer 1 Input 3 Output 40-WQFN (6x6) |
| DATA RATE                        | 900Mbps                                             |
| BASE PART NUMBER                 | DS90UR910                                           |
