| DATA SHEET                       |  <a href="#">LT6660JCDC-10#TRMPBF.pdf</a> |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 10V                                                                                                                          |
| VOLTAGE - INPUT                  | 12.5 V ~ 30 V                                                                                                                |
| TOLERANCE                        | ±0.4%                                                                                                                        |
| TEMPERATURE COEFFICIENT          | 20ppm/°C                                                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 3-DFN (2x2)                                                                                                                  |
| SERIES                           | -                                                                                                                            |
| REFERENCE TYPE                   | Series                                                                                                                       |
| PACKAGING                        | Tape & Reel (TR)                                                                                                             |
| PACKAGE / CASE                   | 3-WFSFN Exposed Pad                                                                                                          |
| OUTPUT TYPE                      | Fixed                                                                                                                        |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                                                                                              |
| NOISE - 10HZ TO 10KHZ            | 4ppmrms                                                                                                                      |
| NOISE - 0.1HZ TO 10HZ            | 4ppmp-p                                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                                |
| MANUFACTURER STANDARD LEAD TIME  | 10 Weeks                                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                   |
| DETAILED DESCRIPTION             | Series Voltage Reference IC ±0.4% 20mA 3-DFN (2x2)                                                                           |
| CURRENT - SUPPLY                 | 350µA                                                                                                                        |
| CURRENT - OUTPUT                 | 20mA                                                                                                                         |
