| VOLTAGE - SUPPLY                   | 2.4 V ~ 5.5 V                                                          |
| TYPE                               | Class AB                                                               |
| SUPPLIER DEVICE PACKAGE            | 8-uMAX                                                                 |
| SERIES                             | -                                                                      |
| PACKAGING                          | Tube                                                                   |
| PACKAGE / CASE                     | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                 |
| OUTPUT TYPE                        | 1-Channel (Mono)                                                       |
| OPERATING TEMPERATURE              | -40°C ~ 85°C (TA)                                                      |
| MOUNTING TYPE                      | Surface Mount                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL)   | 1 (Unlimited)                                                          |
| MAX OUTPUT POWER X CHANNELS @ LOAD | -                                                                      |
| LEAD FREE STATUS / ROHS STATUS     | Lead free / RoHS Compliant                                             |
| FEATURES                           | Differential Inputs, Microphone, Shutdown                              |
| DETAILED DESCRIPTION               | Amplifier IC 1-Channel (Mono) Class AB 8-uMAX                          |
