| VOLTAGE - SUPPLY (VCC/VDD)       | 2.3 V ~ 5.5 V                                                                   |
| SUPPLIER DEVICE PACKAGE          | 28-SPDIP                                                                        |
| SPEED                            | 32MHz                                                                           |
| SERIES                           | PIC® XLP™ 16F                                                                   |
| RAM SIZE                         | 2K x 8                                                                          |
| PROGRAM MEMORY TYPE              | FLASH                                                                           |
| PROGRAM MEMORY SIZE              | 28KB (16K x 14)                                                                 |
| PERIPHERALS                      | Brown-out Detect/Reset, POR, PSMC, PWM, WDT                                     |
| PACKAGING                        | Tube                                                                            |
| PACKAGE / CASE                   | 28-DIP (0.300", 7.62mm)                                                         |
| OSCILLATOR TYPE                  | Internal                                                                        |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                                              |
| NUMBER OF I/O                    | 24                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                   |
| MANUFACTURER STANDARD LEAD TIME  | 4 Weeks                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                      |
| EEPROM SIZE                      | 256 x 8                                                                         |
| DETAILED DESCRIPTION             | PIC PIC® XLP™ 16F Microcontroller IC 8-Bit 32MHz 28KB (16K x 14) FLASH 28-SPDIP |
| DATA CONVERTERS                  | A/D 11x12b, D/A 1x8b, 3x5b                                                      |
| CORE SIZE                        | 8-Bit                                                                           |
| CORE PROCESSOR                   | PIC                                                                             |
| CONNECTIVITY                     | I²C, LINbus, SPI, UART/USART                                                    |
| BASE PART NUMBER                 | PIC16F1788                                                                      |
