| MANUFACTURER                     | STMicroelectronics                                                                                                    |
| DESCRIPTION                      | IC BUFFER INVERT 3.6V 48TSSOP                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                            |
| DATA SHEET                       |  <a href="#">74LCX16240TTR.pdf</a> |
| VOLTAGE - SUPPLY                 | 2 V ~ 3.6 V                                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 48-TSSOP                                                                                                              |
| SERIES                           | 74LCX                                                                                                                 |
| PACKAGING                        | Tape & Reel (TR)                                                                                                      |
| PACKAGE / CASE                   | 48-TFSOP (0.240", 6.10mm Width)                                                                                       |
| OUTPUT TYPE                      | 3-State                                                                                                               |
| OTHER NAMES                      | 497-1054-2                                                                                                            |
| OPERATING TEMPERATURE            | -55°C ~ 125°C (TA)                                                                                                    |
| NUMBER OF ELEMENTS               | 4                                                                                                                     |
| NUMBER OF BITS PER ELEMENT       | 4                                                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                         |
| LOGIC TYPE                       | Buffer, Inverting                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                            |
| INPUT TYPE                       | -                                                                                                                     |
| DETAILED DESCRIPTION             | Buffer, Inverting 4 Element 4 Bit per Element 3-State Output 48-TSSOP                                                 |
| CURRENT - OUTPUT HIGH, LOW       | 24mA, 24mA                                                                                                            |
| BASE PART NUMBER                 | 74LCX16240                                                                                                            |
