| DESCRIPTION                      | IC MULTIPLEXER DUAL 4CH 16-SOIC                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| DATA SHEET                       |  M74HC253RM13TR.pdf |
| VOLTAGE SUPPLY SOURCE            | Single Supply                                                                                          |
| VOLTAGE - SUPPLY                 | 2 V ~ 6 V                                                                                              |
| TYPE                             | Multiplexer                                                                                            |
| SUPPLIER DEVICE PACKAGE          | 16-SO                                                                                                  |
| SERIES                           | 74HC                                                                                                   |
| PACKAGING                        | Tape & Reel (TR)                                                                                       |
| PACKAGE / CASE                   | 16-SOIC (0.154", 3.90mm Width)                                                                         |
| OTHER NAMES                      | 497-1809-2                                                                                             |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| INDEPENDENT CIRCUITS             | 1                                                                                                      |
| DETAILED DESCRIPTION             | Multiplexer 2 x 4:1 16-SO                                                                              |
| CURRENT - OUTPUT HIGH, LOW       | 5.2mA, 5.2mA                                                                                           |
| CIRCUIT                          | 2 x 4:1                                                                                                |
