| DESCRIPTION                      | IC CLK BUF 1:10 400MHZ 20TSSOP                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| DATA SHEET                       |  <a href="#">PCK3807APW,112.pdf</a> |
| VOLTAGE - SUPPLY                 | 2.3 V ~ 3.6 V                                                                                                          |
| TYPE                             | Fanout Buffer (Distribution)                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 20-TSSOP                                                                                                               |
| SERIES                           | -                                                                                                                      |
| RATIO - INPUT:OUTPUT             | 1:10                                                                                                                   |
| PACKAGING                        | Tube                                                                                                                   |
| PACKAGE / CASE                   | 20-TSSOP (0.173", 4.40mm Width)                                                                                        |
| OUTPUT                           | LVTTTL                                                                                                                 |
| OTHER NAMES                      | 935274365112<br>PCK3807APW<br>PCK3807APW-ND                                                                            |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                           |
| NUMBER OF CIRCUITS               | 1                                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| INPUT                            | LVC MOS, LV TTL                                                                                                        |
| FREQUENCY - MAX                  | 400MHz                                                                                                                 |
| DIFFERENTIAL - INPUT:OUTPUT      | No/No                                                                                                                  |
| DETAILED DESCRIPTION             | Clock Fanout Buffer (Distribution) IC 1:10 400MHz 20-TSSOP (0.173", 4.40mm Width)                                      |
| BASE PART NUMBER                 | PCK3807                                                                                                                |
