| VOLTAGE - THRESHOLD              | 1.58V, 2.19V, 2.93V, 4.38V                                               |
| TYPE                             | Multi-Voltage Supervisor                                                 |
| SUPPLIER DEVICE PACKAGE          | 10-uMAX                                                                  |
| SERIES                           | -                                                                        |
| RESET TIMEOUT                    | <1 ms Minimum                                                            |
| RESET                            | Active Low                                                               |
| PACKAGING                        | Tape & Reel (TR)                                                         |
| PACKAGE / CASE                   | 10-TFSOP, 10-MSOP (0.118", 3.00mm Width)                                 |
| OUTPUT                           | Open Drain or Open Collector                                             |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                        |
| NUMBER OF VOLTAGES MONITORED     | 4                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                            |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                               |
| DETAILED DESCRIPTION             | Supervisor Open Drain or Open Collector 4 Channel 10-uMAX                |
