BD48K54G-TL

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | BD48K54G-TL                                                                                                  |
| Manufacturer/Brand: | LAPIS Semiconductor                                                                                          |
| Product description | IC DETECTOR VOLT 5.4V OD 3SSOP                                                                               |
| Datasheets:         | <a href="#">1.BD48K54G-TL.pdf</a><br><a href="#">2.BD48K54G-TL.pdf</a>                                       |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

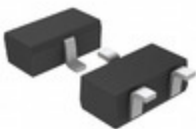

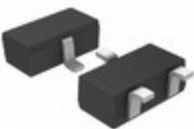

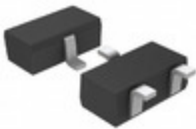

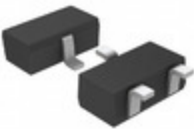

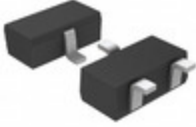

Specifications of BD48K54G-TL

|                                  |                                                                        |
|----------------------------------|------------------------------------------------------------------------|
| PART NUMBER                      | BD48K54G-TL                                                            |
| MANUFACTURER                     | LAPIS Semiconductor                                                    |
| DESCRIPTION                      | IC DETECTOR VOLT 5.4V OD 3SSOP                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                             |
| DATA SHEET                       | <a href="#">1.BD48K54G-TL.pdf</a><br><a href="#">2.BD48K54G-TL.pdf</a> |
| VOLTAGE - THRESHOLD              | 5.4V                                                                   |
| TYPE                             | Voltage Detector                                                       |
| SUPPLIER DEVICE PACKAGE          | 3-SSOP                                                                 |
| SERIES                           | BD48Kxx                                                                |
| RESET TIMEOUT                    | -                                                                      |
| RESET                            | Active Low                                                             |
| PACKAGING                        | Tape & Reel (TR)                                                       |
| PACKAGE / CASE                   | TO-236-3, SC-59, SOT-23-3                                              |
| OUTPUT                           | Open Drain or Open Collector                                           |
| OTHER NAMES                      | BD48K54G-TLTR                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 105°C (TA)                                                     |
| NUMBER OF VOLTAGES MONITORED     | 1                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                          |
| MANUFACTURER STANDARD LEAD TIME  | 5 Weeks                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                             |
| DETAILED DESCRIPTION             | Supervisor Open Drain or Open Collector 1 Channel 3-SSOP               |
