| MANUFACTURER                     | N/A                                                             |
| DESCRIPTION                      | IC COUNTER DUAL 4BIT BIN 14-DIP                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                      |
| DATA SHEET                       |                                                                 |
| VOLTAGE - SUPPLY                 | 2V ~ 6V                                                         |
| TRIGGER TYPE                     | Negative Edge                                                   |
| TIMING                           | -                                                               |
| SUPPLIER DEVICE PACKAGE          | 14-PDIP                                                         |
| SERIES                           | 74HC                                                            |
| RESET                            | Asynchronous                                                    |
| PACKAGING                        | Tube                                                            |
| PACKAGE / CASE                   | 14-DIP (0.300", 7.62mm)                                         |
| OTHER NAMES                      | SN74HC393NE4<br>SN74HC393NE4-ND                                 |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                    |
| NUMBER OF ELEMENTS               | 2                                                               |
| NUMBER OF BITS PER ELEMENT       | 4                                                               |
| MOUNTING TYPE                    | Through Hole                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                   |
| LOGIC TYPE                       | Binary Counter                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                      |
| DIRECTION                        | Up                                                              |
| DETAILED DESCRIPTION             | Counter IC Binary Counter 2 Element 4 Bit Negative Edge 14-PDIP |
| COUNT RATE                       | 36MHz                                                           |
