

SN74LVC126ARGYRG4

|                     |                               |
|---------------------|-------------------------------|
| Part Number:        | SN74LVC126ARGYRG4             |
| Manufacturer/Brand: | N/A                           |
| Product description | IC BUF NON-INVERT 3.6V 14VQFN |
| Datasheets:         |                               |
| RoHs Status         | Lead free / RoHS Compliant    |
| Ship From           | Hong Kong                     |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS         |

REQUEST FOR QUOTATION

Specifications of SN74LVC126ARGYRG4

|                                  |                                                                                    |
|----------------------------------|------------------------------------------------------------------------------------|
| PART NUMBER                      | SN74LVC126ARGYRG4                                                                  |
| MANUFACTURER                     | N/A                                                                                |
| DESCRIPTION                      | IC BUF NON-INVERT 3.6V 14VQFN                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| DATA SHEET                       |                                                                                    |
| VOLTAGE - SUPPLY                 | 1.65 V ~ 3.6 V                                                                     |
| SUPPLIER DEVICE PACKAGE          | 14-VQFN (3.5x3.5)                                                                  |
| SERIES                           | 74LVC                                                                              |
| PACKAGING                        | Tape & Reel (TR)                                                                   |
| PACKAGE / CASE                   | 14-VFQFN Exposed Pad                                                               |
| OUTPUT TYPE                      | 3-State                                                                            |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                  |
| NUMBER OF ELEMENTS               | 4                                                                                  |
| NUMBER OF BITS PER ELEMENT       | 1                                                                                  |
| MOUNTING TYPE                    | Surface Mount                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                                         |
| MANUFACTURER STANDARD LEAD TIME  | 8 Weeks                                                                            |
| LOGIC TYPE                       | Buffer, Non-Inverting                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| INPUT TYPE                       | -                                                                                  |
| DETAILED DESCRIPTION             | Buffer, Non-Inverting 4 Element 1 Bit per Element 3-State Output 14-VQFN (3.5x3.5) |
| CURRENT - OUTPUT HIGH, LOW       | 24mA, 24mA                                                                         |
| BASE PART NUMBER                 | 74LVC126                                                                           |
