

Omron Automation & Safety

E2E-X3D1S-M1

|                     |                            |
|---------------------|----------------------------|
| Part Number:        | E2E-X3D1S-M1               |
| Manufacturer/Brand: | Omron Automation & Safety  |
| Product description | SENS PROX M12 3MM DC2W-NO  |
| Datasheets:         |                            |
| RoHs Status         | Lead free / RoHS Compliant |
| Ship From           | Hong Kong                  |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS      |

Specifications of E2E-X3D1S-M1

|                                  |                                                                       |
|----------------------------------|-----------------------------------------------------------------------|
| PART NUMBER                      | E2E-X3D1S-M1                                                          |
| MANUFACTURER                     | Omron Automation & Safety                                             |
| DESCRIPTION                      | SENS PROX M12 3MM DC2W-NO                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                            |
| DATA SHEET                       |                                                                       |
| VOLTAGE - SUPPLY                 | 10 V ~ 30 V                                                           |
| TERMINATION STYLE                | Connector                                                             |
| SHIELDING                        | Shielded                                                              |
| SERIES                           | E2E                                                                   |
| SENSOR TYPE                      | Inductive                                                             |
| SENSING DISTANCE                 | 0.118" (3mm)                                                          |
| RESPONSE FREQUENCY               | 1kHz                                                                  |
| PACKAGE / CASE                   | Cylinder, Threaded - M12                                              |
| OUTPUT TYPE                      | NPN-NO, 2-Wire                                                        |
| OTHER NAMES                      | E2EX3D1SM1<br>E2EX3D1SM1Q                                             |
| OPERATING TEMPERATURE            | -25°C ~ 70°C                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                         |
| MATERIAL - BODY                  | Nickel-Plated Brass                                                   |
| MANUFACTURER STANDARD LEAD TIME  | 2 Weeks                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                            |
| INGRESS PROTECTION               | IP67                                                                  |
| INDICATOR                        | LED                                                                   |
| DETAILED DESCRIPTION             | Inductive Proximity Sensor 0.118" (3mm) IP67 Cylinder, Threaded - M12 |
