Specifications of XC7SET32GV,125

|                                   |                                                                                                                        |
|-----------------------------------|------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                       | XC7SET32GV,125                                                                                                         |
| MANUFACTURER                      | Nexperia                                                                                                               |
| DESCRIPTION                       | IC GATE OR 1CH 2-INP 5TSOP                                                                                             |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                             |
| DATA SHEET                        |  <a href="#">XC7SET32GV,125.pdf</a> |
| VOLTAGE - SUPPLY                  | 4.5 V ~ 5.5 V                                                                                                          |
| SUPPLIER DEVICE PACKAGE           | 5-TSOP                                                                                                                 |
| SERIES                            | 7SET                                                                                                                   |
| PACKAGING                         | Tape & Reel (TR)                                                                                                       |
| PACKAGE / CASE                    | SC-74A, SOT-753                                                                                                        |
| OTHER NAMES                       | 1727-4373-2<br>568-5191-2<br>568-5191-2-ND<br>935289894125<br>XC7SET32GV125                                            |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                                                                          |
| NUMBER OF INPUTS                  | 2                                                                                                                      |
| NUMBER OF CIRCUITS                | 1                                                                                                                      |
| MOUNTING TYPE                     | Surface Mount                                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                                          |
| MAX PROPAGATION DELAY @ V, MAX CL | 7.9ns @ 5V, 50pF                                                                                                       |
| LOGIC TYPE                        | OR Gate                                                                                                                |
| LOGIC LEVEL - LOW                 | 0.8V                                                                                                                   |
| LOGIC LEVEL - HIGH                | 2V                                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                             |
| FEATURES                          | -                                                                                                                      |
| DETAILED DESCRIPTION              | OR Gate IC 1 Channel 5-TSOP                                                                                            |
| CURRENT - QUIESCENT (MAX)         | 1µA                                                                                                                    |
| CURRENT - OUTPUT HIGH, LOW        | 8mA, 8mA                                                                                                               |
| BASE PART NUMBER                  | 7SET32                                                                                                                 |
