| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V                                                        |
| SUPPLIER DEVICE PACKAGE          | 10-uMAX                                                              |
| SERIES                           | -                                                                    |
| PACKAGING                        | Tube                                                                 |
| PACKAGE / CASE                   | 10-TFSOP, 10-MSOP (0.118", 3.00mm Width)                             |
| MOUNTING TYPE                    | Surface Mount                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                   |
| INTERFACE                        | SMBus                                                                |
| DETAILED DESCRIPTION             | Controller Interface 10-uMAX                                         |
| BASE PART NUMBER                 | MAX1663                                                              |
| APPLICATIONS                     | Controller                                                           |
