|----------------------------------|--------------------------------------------------------------------------------|
| PART NUMBER                      | S29GL064N90BF1030                                                              |
| MANUFACTURER                     | Cypress Semiconductor                                                          |
| DESCRIPTION                      | IC FLASH 64M PARALLEL 48FBGA                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                     |
| DATA SHEET                       | <a href="#">PDF S29GL064N90BF1030.pdf</a>                                      |
| WRITE CYCLE TIME - WORD, PAGE    | 90ns                                                                           |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.6 V                                                                  |
| TECHNOLOGY                       | FLASH - NOR                                                                    |
| SUPPLIER DEVICE PACKAGE          | 48-FBGA (8.15x6.15)                                                            |
| SERIES                           | GL-N                                                                           |
| PACKAGING                        | Tray                                                                           |
| PACKAGE / CASE                   | 48-VFBGA                                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                              |
| MOUNTING TYPE                    | Surface Mount                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                  |
| MEMORY TYPE                      | Non-Volatile                                                                   |
| MEMORY SIZE                      | 64Mb (8M x 8, 4M x 16)                                                         |
| MEMORY INTERFACE                 | Parallel                                                                       |
| MEMORY FORMAT                    | FLASH                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                     |
| DETAILED DESCRIPTION             | FLASH - NOR Memory IC 64Mb (8M x 8, 4M x 16) Parallel 90ns 48-FBGA (8.15x6.15) |
| ACCESS TIME                      | 90ns                                                                           |
