**IQ12-04BNOKT0S**

|                     |                              |
|---------------------|------------------------------|
| Part Number:        | IQ12-04BNOKT0S               |
| Manufacturer/Brand: | SICK                         |
| Product description | SEN PROX 4MM FLUSH NPN NC M8 |
| Datasheets:         |                              |
| Ship From           | Hong Kong                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS        |

|                                 |                                                     |
|---------------------------------|-----------------------------------------------------|
| PART NUMBER                     | IQ12-04BNOKT0S                                      |
| MANUFACTURER                    | SICK                                                |
| DESCRIPTION                     | SEN PROX 4MM FLUSH NPN NC M8                        |
| LEAD FREE STATUS / ROHS STATUS  |                                                     |
| DATA SHEET                      |                                                     |
| VOLTAGE - SUPPLY                | 10 V ~ 30 V                                         |
| TERMINATION STYLE               | Connector                                           |
| SHIELDING                       | Shielded                                            |
| SERIES                          | -                                                   |
| SENSOR TYPE                     | Inductive                                           |
| SENSING DISTANCE                | 0.157" (4mm)                                        |
| RESPONSE FREQUENCY              | 2kHz                                                |
| PACKAGE / CASE                  | Module                                              |
| OUTPUT TYPE                     | NPN-NC, 3-Wire                                      |
| OTHER NAMES                     | 1055435                                             |
| OPERATING TEMPERATURE           | -25°C ~ 75°C (TA)                                   |
| MATERIAL - BODY                 | Plastic                                             |
| MANUFACTURER STANDARD LEAD TIME | 3 Weeks                                             |
| INGRESS PROTECTION              | IP68                                                |
| INDICATOR                       | LED                                                 |
| DETAILED DESCRIPTION            | Inductive Proximity Sensor 0.157" (4mm) IP68 Module |
