

BA2904YF-MGE2

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | BA2904YF-MGE2                                                                                                |
| Manufacturer/Brand: | LAPIS Semiconductor                                                                                          |
| Product description | AUTOMOTIVE GROUND SENSE OPERATIO                                                                             |
| Datasheets:         | <a href="#">1.BA2904YF-MGE2.pdf</a><br><a href="#">2.BA2904YF-MGE2.pdf</a>                                   |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of BA2904YF-MGE2

|                                   |                                                                            |
|-----------------------------------|----------------------------------------------------------------------------|
| PART NUMBER                       | BA2904YF-MGE2                                                              |
| MANUFACTURER                      | LAPIS Semiconductor                                                        |
| DESCRIPTION                       | AUTOMOTIVE GROUND SENSE OPERATIO                                           |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                 |
| DATA SHEET                        | <a href="#">1.BA2904YF-MGE2.pdf</a><br><a href="#">2.BA2904YF-MGE2.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 3 V ~ 36 V, ±1.5 V ~ 18 V                                                  |
| VOLTAGE - INPUT OFFSET            | 2mV                                                                        |
| SUPPLIER DEVICE PACKAGE           | 8-SOP                                                                      |
| SLEW RATE                         | 0.2 V/μs                                                                   |
| SERIES                            | Automotive, AEC-Q100                                                       |
| PACKAGING                         | Cut Tape (CT)                                                              |
| PACKAGE / CASE                    | 8-SOIC (0.173", 4.40mm Width)                                              |
| OUTPUT TYPE                       | -                                                                          |
| OTHER NAMES                       | BA2904YF-MGE2CT                                                            |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                              |
| NUMBER OF CIRCUITS                | 4                                                                          |
| MOUNTING TYPE                     | Surface Mount                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                              |
| MANUFACTURER STANDARD LEAD TIME   | 9 Weeks                                                                    |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                 |
| GAIN BANDWIDTH PRODUCT            | 500kHz                                                                     |
| DETAILED DESCRIPTION              | General Purpose Amplifier 4 Circuit 8-SOP                                  |
| CURRENT - SUPPLY                  | 500μA                                                                      |
| CURRENT - OUTPUT / CHANNEL        | 30mA                                                                       |
| CURRENT - INPUT BIAS              | 20nA                                                                       |
| AMPLIFIER TYPE                    | General Purpose                                                            |
