| DESCRIPTION                       | IC OPAMP GP 90MHZ 12DFN                                                                                 |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                              |
| DATA SHEET                        |  LT1469IDF#TRPBF.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | ±2.5 V ~ 18 V                                                                                           |
| VOLTAGE - INPUT OFFSET            | 100µV                                                                                                   |
| SUPPLIER DEVICE PACKAGE           | 12-DFN (4x4)                                                                                            |
| SLEW RATE                         | 22 V/µs                                                                                                 |
| SERIES                            | -                                                                                                       |
| PACKAGING                         | Tape & Reel (TR)                                                                                        |
| PACKAGE / CASE                    | 12-WFDFN Exposed Pad                                                                                    |
| OUTPUT TYPE                       | -                                                                                                       |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                            |
| NUMBER OF CIRCUITS                | 2                                                                                                       |
| MOUNTING TYPE                     | Surface Mount                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                           |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                              |
| GAIN BANDWIDTH PRODUCT            | 90MHz                                                                                                   |
| DETAILED DESCRIPTION              | General Purpose Amplifier 2 Circuit 12-DFN (4x4)                                                        |
| CURRENT - SUPPLY                  | 4.1mA                                                                                                   |
| CURRENT - OUTPUT / CHANNEL        | 22mA                                                                                                    |
| CURRENT - INPUT BIAS              | 10nA                                                                                                    |
| BASE PART NUMBER                  | LT1469                                                                                                  |
| AMPLIFIER TYPE                    | General Purpose                                                                                         |
