| DESCRIPTION                      | IC TXRX RS485 60V PROFIBUS 8MSOP                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                 |
| DATA SHEET                       |  <a href="#">LTC2876HMS8E#TRPBF.pdf</a> |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                                              |
| TYPE                             | Transceiver                                                                                                                |
| SUPPLIER DEVICE PACKAGE          | 8-MSOP-EP                                                                                                                  |
| SERIES                           | -                                                                                                                          |
| RECEIVER HYSTERESIS              | 240mV                                                                                                                      |
| PROTOCOL                         | RS485                                                                                                                      |
| PACKAGING                        | Tape & Reel (TR)                                                                                                           |
| PACKAGE / CASE                   | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width) Exposed Pad                                                                         |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                                              |
| NUMBER OF DRIVERS/RECEIVERS      | 1/1                                                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                              |
| MANUFACTURER STANDARD LEAD TIME  | 8 Weeks                                                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                 |
| DUPLEX                           | Half                                                                                                                       |
| DETAILED DESCRIPTION             | 1/1 Transceiver Half RS485 8-MSOP-EP                                                                                       |
| DATA RATE                        | 20Mbps                                                                                                                     |
