| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                |
| DESCRIPTION                      | IC LATCH TRANSP OCT LV 20-SOEIAJ                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                  |
| DATA SHEET                       |  MC74LCX573M.pdf |
| VOLTAGE - SUPPLY                 | 2 V ~ 3.6 V                                                                                         |
| SUPPLIER DEVICE PACKAGE          | SOEIAJ-20                                                                                           |
| SERIES                           | 74LCX                                                                                               |
| PACKAGING                        | Tube                                                                                                |
| PACKAGE / CASE                   | 20-SOIC (0.209", 5.30mm Width)                                                                      |
| OUTPUT TYPE                      | Tri-State                                                                                           |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                                                       |
| MOUNTING TYPE                    | Surface Mount                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                       |
| LOGIC TYPE                       | D-Type Transparent Latch                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                  |
| INDEPENDENT CIRCUITS             | 1                                                                                                   |
| DETAILED DESCRIPTION             | D-Type Transparent Latch 1 Channel 8:8 IC Tri-State SOEIAJ-20                                       |
| DELAY TIME - PROPAGATION         | 1.5ns                                                                                               |
| CURRENT - OUTPUT HIGH, LOW       | 24mA, 24mA                                                                                          |
| CIRCUIT                          | 8:8                                                                                                 |
| BASE PART NUMBER                 | 74LCX573                                                                                            |
