Specifications of TLV5535IPWG4

|                                  |                                                                |
|----------------------------------|----------------------------------------------------------------|
| PART NUMBER                      | TLV5535IPWG4                                                   |
| MANUFACTURER                     | N/A                                                            |
| DESCRIPTION                      | IC 8-BIT 35MSPS LP A/D 28-TSSOP                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                     |
| DATA SHEET                       |                                                                |
| VOLTAGE - SUPPLY, DIGITAL        | 3 V ~ 3.6 V                                                    |
| VOLTAGE - SUPPLY, ANALOG         | 3 V ~ 3.6 V                                                    |
| SUPPLIER DEVICE PACKAGE          | 28-TSSOP                                                       |
| SERIES                           | -                                                              |
| SAMPLING RATE (PER SECOND)       | 35M                                                            |
| REFERENCE TYPE                   | External, Internal                                             |
| RATIO - S/H:ADC                  | 1:1                                                            |
| PACKAGING                        | Tube                                                           |
| PACKAGE / CASE                   | 28-TSSOP (0.173", 4.40mm Width)                                |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                   |
| NUMBER OF INPUTS                 | 1                                                              |
| NUMBER OF BITS                   | 8                                                              |
| NUMBER OF A/D CONVERTERS         | 1                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                     |
| INPUT TYPE                       | Single Ended                                                   |
| FEATURES                         | -                                                              |
| DETAILED DESCRIPTION             | 8 Bit Analog to Digital Converter 1 Input 1 Pipelined 28-TSSOP |
| DATA INTERFACE                   | Parallel                                                       |
| CONFIGURATION                    | S/H-ADC                                                        |
| BASE PART NUMBER                 | TLV5535                                                        |
| ARCHITECTURE                     | Pipelined                                                      |
