| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 4.5 V ~ 13 V                                                             |
| SUPPLIER DEVICE PACKAGE           | TSOT-23-5                                                                |
| SLEW RATE                         | -                                                                        |
| SERIES                            | -                                                                        |
| PACKAGING                         | Tape & Reel (TR)                                                         |
| PACKAGE / CASE                    | SOT-23-5 Thin, TSOT-23-5                                                 |
| OUTPUT TYPE                       | -                                                                        |
| NUMBER OF CIRCUITS                | 1                                                                        |
| MOUNTING TYPE                     | Surface Mount                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                            |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                               |
| DETAILED DESCRIPTION              | Video Amp, 1 TFT-LCD Panels: VCOM Driver TSOT-23-5                       |
| CURRENT - SUPPLY                  | 450µA                                                                    |
| CURRENT - OUTPUT / CHANNEL        | 550mA                                                                    |
| BASE PART NUMBER                  | MAX1886                                                                  |
| APPLICATIONS                      | TFT-LCD Panels: VCOM Driver                                              |
