| PART NUMBER                      | ADS1274IPAPTG4                                                            |
| MANUFACTURER                     | N/A                                                                       |
| DESCRIPTION                      | IC ADC 24BIT 10K-144K 64TQFP                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                |
| DATA SHEET                       |                                                                           |
| VOLTAGE - SUPPLY, DIGITAL        | 1.65 V ~ 1.95 V                                                           |
| VOLTAGE - SUPPLY, ANALOG         | 5V                                                                        |
| SUPPLIER DEVICE PACKAGE          | 64-HTQFP (10x10)                                                          |
| SERIES                           | -                                                                         |
| SAMPLING RATE (PER SECOND)       | 144k                                                                      |
| REFERENCE TYPE                   | External                                                                  |
| RATIO - S/H:ADC                  | -                                                                         |
| PACKAGING                        | Tape & Reel (TR)                                                          |
| PACKAGE / CASE                   | 64-TQFP Exposed Pad                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                             |
| NUMBER OF INPUTS                 | 4                                                                         |
| NUMBER OF BITS                   | 24                                                                        |
| NUMBER OF A/D CONVERTERS         | 1                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                             |
| MANUFACTURER STANDARD LEAD TIME  | 8 Weeks                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                |
| INPUT TYPE                       | Differential                                                              |
| FEATURES                         | -                                                                         |
