| DESCRIPTION                      | IC LED DRIVER RGLTR DIM 8WDFN                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                          |
| DATA SHEET                       |  RT8511AGQWA.pdf |
| VOLTAGE - SUPPLY (MIN)           | 2.7V                                                                                                |
| VOLTAGE - SUPPLY (MAX)           | 24V                                                                                                 |
| VOLTAGE - OUTPUT                 | 43V                                                                                                 |
| TYPE                             | DC DC Regulator                                                                                     |
| TOPOLOGY                         | Step-Up (Boost)                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 8-WDFN (3x3)                                                                                        |
| SERIES                           | -                                                                                                   |
| PACKAGING                        | Tape & Reel (TR)                                                                                    |
| PACKAGE / CASE                   | 8-WDFN Exposed Pad                                                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                   |
| NUMBER OF OUTPUTS                | 1                                                                                                   |
| MOUNTING TYPE                    | Surface Mount                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                          |
| INTERNAL SWITCH(S)               | Yes                                                                                                 |
| FREQUENCY                        | 1MHz                                                                                                |
| DIMMING                          | PWM                                                                                                 |
| DETAILED DESCRIPTION             | LED Driver IC 1 Output DC DC Regulator Step-Up (Boost) PWM Dimming 1.2A (Switch) 8-WDFN (3x3)       |
| CURRENT - OUTPUT / CHANNEL       | 1.2A (Switch)                                                                                       |
| APPLICATIONS                     | Backlight                                                                                           |
